**Subject:** Revised paper on high-priority energy work  
[high-priority GW-SWP energy work v2.docx](#)

Have been working at home this morning to finish this up. Here's a crack at it for your consideration/revision. I couldn't remember if we agreed to keep it focused on GW or to encompass all DW resources- I kept it focused on GW but can easily change that if it makes sense. On my way in now.
